Program Background & Purpose

Capability Assessment

- 2025 capability evaluation conducted
- Vietnam self: 2.2 / Korea eval: 3.1
- India self: 2.2 / Korea eval: 2.9
- (Out of 5 points)

Development Strategy

- Focus on lower-capability developers
- 1:Many mentoring within same team
- Linked to local training programs
- (CBL / Capability Dev.)
  LGEDV / LGSI

Expected Outcomes

- Mentee capability → Mid-level
- Reduce dependency on Korea HQ
- Strengthen overseas R&D independence
- Improve product competitiveness

Hello, Mentor, Mentee
Mentoring frequency is flexible — meet offline within your team at a time that works for both of you
I hope this will be a valuable time for your capability development. Good luck!"
